The National Anthem of the Republic of Uzbekistan sounds.

The President of the Republic of Uzbekistan Shavkat Mirziyoyev delivered a speech at the solemn event.

Comprehensively and deeply thought out Constitution of the Republic of Uzbekistan, adopted

exactly 25 years ago on the principles of democracy, through nationwide discussion, has formed and consolidated the legal guarantees of the new independent state and society.

As noted in the report of the Head of our state, the Basic Law is a high example of political and legal thinking of our people. It serves as a legal guarantee so that we

lived freely, peacefully,
tranquilly and safely, not
being inferior to anyone in no
way.

Great transformations
taking place in our
country, reforms in
various spheres have
radically changed the
way of life of our people.

In the Year of dialogue with people and human interests, real reforms were carried out on the basis of constitutional principles and norms. The noble idea of “Human interests – above all” was fully realized this year, an absolutely new effective system of solving vital

problems of the
population – Virtual
Reception of the
President of the Republic
of Uzbekistan and
People's Reception
Offices at places was
created.

The Strategy of

actions on five priority areas of development of the Republic of Uzbekistan in 2017-2021, developed at the initiative of the President of our country, gave a powerful impetus to reforms in all spheres

of society.

The ending year
confirmed how
strong the
foundation of our
happy life is the
Constitution. Its

norms have become even more developed in the daily lives of our citizens. Indeed, in our Basic Law, a person, his/her rights, freedoms and interests are

determined by the highest value. Most importantly, people have already begun to feel the results of reforms today.

All the
implemented
activities in the
past year in our
country was
based on the idea
of “People must
not serve the

Government
bodies, rather the
Government
bodies must
serve the people”.
This appeal found
the most
enthusiastic

response in the
hearts of our
compatriots,
inspired them to
live with a sense
of belonging to
the fate of the
Motherland,

sparing no effort
and energy for
the sake of
ensuring the
prosperous life of
people.
